

FALL 2020 CORN

PRICING PROGRAM

- Corn markets experience seasonal highs from early March through early July.
- Commit how many bushels you would like to have priced in the program.
- Corn will be priced at Tuesday's closing price for Fall 2020 delivery into Earlville from March 31st to July 14th for a total of 16 weeks.
- A purchase contract will be created each week for the bushels being priced that week.
